

Associate in Arts

The two-year Associate of Arts focuses on the knowledge and skills upon which nearly all four-year degrees are based. You study a broad range of topics with other adults – all with a focus on real-life application with no “busy work.” Weekly classes with professors, 24/7 access to online tutoring, and the support of fellow students have enabled busy professionals like you to complete their degrees and progress towards their educational goals.

ASSOCIATE IN ARTS – GENERAL STUDIES

(CAPS: AA; 60 semester credits)

[Effective: Fall 2014]

Showing courses that are scheduled to be offered to satisfy required and area options
