

Bachelor of Arts in Organizational Management

At NU, the desire is to nurture God's calling on your life by providing an academically rigorous road which will wind its way to your diploma with a true liberal arts education. Whether your goal is graduate school or the founding of your own company, you will be encouraged to learn the basics but dream bigger than ever before.

Why Organizational Management?

- **Core Level Business Knowledge:** Graduates demonstrate knowledge from a variety of business disciplines and apply the knowledge and skills to reach solutions to business needs. Graduates understand and demonstrate general theories, principles, processes and skills in: Accounting, Economics, Finance, Management, and Marketing.
- **Business Management Major Knowledge:** Graduates demonstrate knowledge and skills required for effective business careers.
- **Innovation & Critical Thinking:** Graduates identify problems, analyze information, form conclusions and propose innovative solutions within the business context.
- **Leadership & Communication:** Graduates communicate correctly and purposefully in written and oral presentation formats.
- **Integrity & Ethics:** Graduates understand and approach ethical issues in business from an informed Christian perspective.
- **Professionalism:** Graduates develop a career strategy and obtain practical experience in their major field.
